

What's on in Destination Geirangerfjord?

New in 2010-2011

The **Juvet landscape hotel** has received world wide attention for their project combining modern architecture, stunning nature and unique activities. Opens with 7 rooms spring 2010. www.juvet.com

Strandafjellet Ski Resort has undergone major changes, bringing it up to a modern resort with chair lift and a pavilion/restaurant on top of the mountain. Before next winter, there will be a second chair lift. This also opens for marvelous experiences in the summer, with hiking and biking trails in the mountains called The Sunnmøre Alps. www.strandafjellet.no

The **Norwegian Fjord Center** in Geiranger provides basic information about the UNESCO World Heritage Site, with exhibits based on lives and livelihoods of the people of the Geirangerfjord. The Fjord Center is now run by the World Heritage administration. From 2010: open all year! www.fjordsenter.info .

Nordic Walking in Geiranger is a new activity offered to all tourists in the area. Guided walking with sticks in marked trails in the beautiful nature surrounding Geiranger will be a major attraction in the years to come! www.hotel-union.no and www.geirangerfjord.no
